### Chapter 1 by chayse

Oh no, you're one of THEM!!!!

### Chapter 2 by Will Coloff

i yelled at my mom, she was bitten by the poohs, in the year 2080, the poohs have taken over the world, infecting anyone who was not a pooh, they killed off the tiggers and the piglets, the only humans left were some refugees, and the people christopher robin (our new ruler) has spared. I was hiding with my mom and the poohs somehow found us. They took my Dad, sister, and now my mom, but they will pay for this, i will destroy the poohs like lynda will destroy ISIS in 2015, my grandpa told me stories of lynda. I will get those poohs.... soon.
